Bon-odori
 Matsuri has always aimed to share the most vibrant aspects of Japanese culture. In order to bring an authentic Japanese summer festival experience to Sydneysiders, this year, again, we will build a Yagura which will allow us to host night events such as "Bon Odori". It will be the main attraction which everyone is invited to dance around, to the beat of the taiko drums. The Bon Odori dance is very easy to learn, so all your friends and family can join in on the fun!
